WELCOME TO CAMERON HIGHLANDS RESORT

TRAILS, TALES AND TRADITIONS IN THE HIGHLANDS

Cameron Highlands is endearingly known as the ‘little piece of England in Asia’, the cool climate on the picturesque plateau — along with much of the highlands’ character—remains unchanged, exuding an old English charm.

Cameron Highlands Resort is built as a long extension from an existing 1930’s cottage with architecture dating from the 1970’s. Promising splendour, romance and nostalgia, the interiors hark back to its grand colonial heritage with tall French doors, timber-beamed ceilings and plantation shutters combined with the colours and textures of Jim Thompson’s famed Asian silks.

This is a perfect getaway filled with trails, tales and traditions.

SPA VILLAGE CAMERON HIGHLANDS

Spa Village Cameron Highlands is a unique haven for relaxation and rejuvenation where tea is the foundation of the experience.

The healing therapies are based on produce from the surrounding jungles and ancient tea rituals combined with knowledge drawn from the Orang Asli or 'original people' who have a deep understanding of plants, herbs and flowers that have the power to heal.

Start your spa journey with a signature tea bath followed by a Strawberry Aroma Massage to deeply heal your mind and body while soothing your soul.
